

LEHEHE®

Focus on R&D and
manufacturing of coffee and tea

E8D Intelligent Blender

— Quiet/Strong/Stable

- Segmented Timing, Intelligent Control
- Commercial configuration, More Robust Performance
- Multi Purpose, Efficient production
- Broken and Keep Fresh, Instantaneous Crushing, tasty

Segmented Timing Intelligent Control

Quick broken the ice in 3 seconds

Quiet/Strong/Stable Vacuum Blender

LEHEHE-E8D

Thicken Noise Enclosure

60-70db running voice

3.8P Motor

Instant Strong Blender

Patent 5 Square Cup

Food Grade PC Material

Futaba Blunt Blade

More evenly Stir

Intelligent Control

Multi Setting Modes

Broken Ice in 3S

Efficient Production

E8D Intelligent Blender

INTELLIGENT BLENDER

3D THREE-DIMENSIONAL SMOOTHIE MIXING SYSTEM
EASY TO OBTAIN DENSE TASTE

Ice Crushing in 3S

- ✓ Ice crushing in 10S
- ✓ 12S to make a smoothie
- ✓ Easy to get dense taste

LEHEHE Intelligent Blender

Patent Vacuum Square Cup

Vacuum stirring, nutrition more comprehensive

LFGB Safety Certificate

Cup lid and body all pass Germany LFGB Certificate

Food Grade PC Cup

Food Grade and Without BPA

Five Square Cup

Diversion design, No need stirring rod.

Nutrition Food Many Kinds

Start Your Food Trip

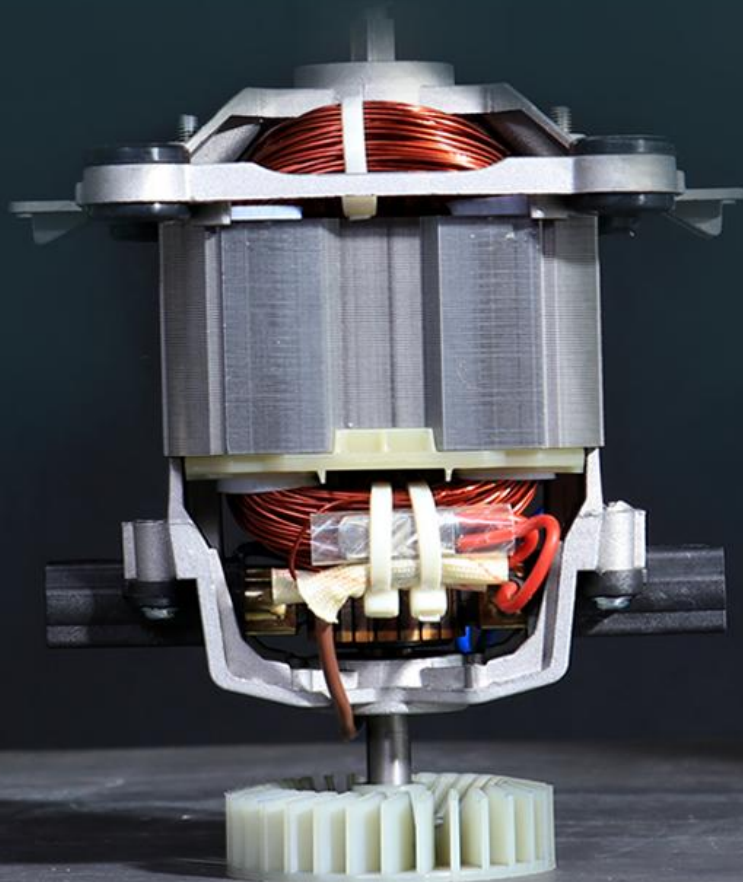

Commerical 3.8P Horsepower

Energetic, easy to handle all kinds foods

25000RPM
Full peak speed

Copper Direct Drive Motor
Continuous Steady Output

Built-in Thermal Fan
Meet Heat Dissipation Demand

Strong Stir/Blender More Fine And Smooth

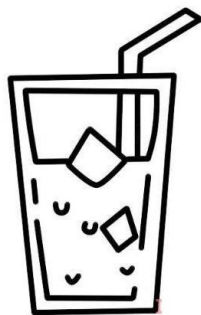

Ingredients are fine and smooth
More tasty

 Up to 25000 rpm.

Intelligent Multi-segment Settings 12 Seconds for a Dense Smoothie

Timing and speed multi-stage settings to meet different production settings

3D Stereo Spoiler Stirring

Delicate and Even, More Tasty

Intelligent multi-segment settings to meet different production settings

LEHEHE

专注咖啡茶饮研发制造
Focus on R & D and
manufacturing of coffee and tea

Flexible Use

3 Intelligent Operation Modes

01

Intelligent Mode

Seven Kinds Menu, one key to start.

02

Manual Mode

Ten Gears to Adjust, Optional Taste

03

Instant Transfer Mode

Click the high speed pulse and make the drink you want.

Frozen Desserts

Mixed Drinks

Milk Drinks

Special Drinks

Smoothies

Juice

Commercial configuration, More Robust Performance

Multi Purpose Efficient production

Broken and Keep Fresh, Instantaneous Crushing, tasty

**Double Blade Thickened
Blunt Knife, Long-term
Use Does Not Deform.**

—
One-piece Cold Forged Steel

80%
Improved Blade Thickness

10 Times
Improved Blade Hardness

Be Gentle To Hands
Safe Touch to Clean

STEALTH Technology

Sound enclosure reduces noise effectively

60-70db is just the sound of a normal conversation
Create a quiet store environment

Thicken Noise Enclosure

60-70db running voice

Thicken Noise Enclosure Quiet Working

9MM Thickness Enclosure, can effectively reduce the noise.

INTELLIGENT CONTROL PANEL

IMD High-end panel design, simple, sensitive and fast.

✓ Physical button design

✓ 7 sets of custom setting programs

✓ Instant mode

E8D Product Information

Model	LEHEHE-E8D
Voltage	220V
Power	1500W
Capacity	2000ml
N.W.	8.15KG
G.W.	9.9KG
Turning Speed	1000turning/Min
Control Pannel	25000turning/Min
Preset Program	7 Groups
Size	223*268*428mm

Patent Certification, Quality Assurance

After multiple testing and certification, the quality will let you rest assured.
